* Daily Value Not Established

Other Ingredients: Capsules (gelatin, glycerin, water), rice bran oil, lecithin, beeswax and annatto. Contains soy.

Co Q 10 is a biologically active quinone found in every cell of the body. It is a cofactor in the electron transport chain, the biological pathway in cellular respiration from which ATP** and most of the body's energy are derived.

**Adenosine Triphosphate (ATP) is an energy-rich compound used for all energy-requiring processes within the cell.

***100% Natural Beta Carotene from marine algae.

Scientific studies show that Co Q 10 is three times more bioavailable when delivered in an oil-based softgel capsule. Our Co Q 10 is dissolved in Vitamin E oil prior to encapsulation to increase the product's intestinal absorption.

From Co-Q-Sol™ brand CoQ10 softgels made by Softgel Technologies.

Contains No Added sugar, salt, dairy, yeast, wheat, gluten, corn, preservatives, artificial colors or flavors.

Suggested Use: As a dietary supplement, adults take one (1) softgel capsule, one (1) to two (2) times daily with meals, or as directed by a health care professional. Store in a cool, dry place and away from direct light.

Keep out of reach of children.

QUALITY AND POTENCY GUARANTEED.
