Total Sulfur	4,200 mcg*

*Daily Value Not Established

Other Ingredients: Dicalcium phosphate, microcrystalline cellulose, sodium, stearic acid, magnesium stearate, silicon dioxide and enteric-coating.

**Equal to a 1/2 clove of fresh garlic. Our garlic comes from Pure-Gar®, the world's largest and most advanced producer of high quality garlic products. Their process begin with high yield garlic bulbs. The bulbs are harvested and then gently cool-dried as part of a proprietary process that prevents the allicin from forming until the garlic contacts water in the digestive tract.

Each tablet is specially coated to break down in the alkaline environment of the small intestines.

 and Pure-Gar® are trademarks of Natrol, Inc.

Contains No Added sugar, salt, dairy, yeast, wheat, corn, soy, preservatives, artificial colors or flavors or animal products. 100% Vegetarian.

Suggested Use: As a dietary supplement, adults take one (1) tablet daily with meals, or as directed by a health care professional. Store in a cool, dry place and away from direct light.

Keep out of reach of children.

QUALITY AND POTENCY GUARANTEED.
